

Vocabulary Lists for *Farolito Spanish Language School*

Beginners 2 level

The following vocabulary lists correspond to the units of *Aula Internacional 1*. They are divided into verbs and nouns/adjectives. Most of the vocab will be introduced to you in class, however you will need to study it in your own time between classes. Try using the words in sentences, playing card games, etc to learn them. You should view these lists as the **MINIMUM** needed to communicate effectively. Bring the corresponding lists with you to class have on hand for oral activities.

Verb lists: You are expected to learn the verb meanings and their conjugations (verb forms). The 'Explorar y Reflexionar' sections and the charts on p163-166 will help you with this task.
